We pray that this letter finds you well and enjoying the blessings of the Lord. This area of the country has recently been hit by several storms. Many of these storms have been severe with the threat of flash flooding, hail, and even tornados. Thankfully, we can report that the storms did not cause any real damage here at the prison, but our hearts go out to those who did suffer loss due to storm damage.

These natural storms cause us to reflect on the men here who are enduring spiritual storms. Many are battling the storms of addiction, suicidal thoughts, false religion, etc. We know that when the disciples found themselves in a storm in Matthew 8 they found that Christ was able to calm the storm with just a word of command. This is why we preach Jesus Christ! He alone is the answer for those who desire to know true peace. You make it possible for us to reach men who are storm-tossed as we point them to the cross. Thank you for your prayers and support.

Perhaps you are facing a storm of some kind in your life or ministry. It could be a health crisis, a loved one who needs salvation, or any one of a number of storms we face in this current life. If you are in a storm, we want you to know that the believers here at the Northwest Correctional Complex would count it a privilege to be able to pray for you. Please let us know of your need and we will join together in prayer on your behalf. We have seen many prayers answered and would love to add yours to the list! Again, thank you for partnering with us to reach those who are incarcerated. God Bless!
