

PROFILES OF THE FAITH

November 17, 2025

Dear Brothers and Sisters in Christ,

I entered prison with a lot of shame, guilt, regret, anger, and depression. I truly felt that God was done with me and His hand was no longer on my life because of the things I did. As I was waiting to be transported to prison I prayed to God, that if His hand was still on me and He still had a future for me then send someone to bring me back to Him.

After a couple of years go by, I began to attend Friday night and Sunday morning services with Brother Ken Avery and Brother John Holifield and that's when everything began to change. Through the preaching and praying these men did, and the way God would move in the services...I knew it was the answer to my prayer! Something just began to click in my heart, and I knew it was God.

Over the last year and a half my life has been different. I feel more connected to God than ever before and I know that God is not done with me! All the shame, guilt, regret, depression, and anger is GONE and I am filled with the Spirit of God and His joy, grace, peace, and mercy! I was led to have an open heart and forgive the father that was absent in my life. I can see my calling in ministry is still there and God wants me to preach and be used by Him! I give God my **YES** now because of how Brother Avery and Brother Holifield ministered to me and many other brothers on a weekly basis.

So I just want to thank you who support and donate to the ministry, and continually pray for us...You are impacting and changing lives through your obedience to Him.
